14/09/18, 11:43 - Shivam Goel: sure  
14/09/18, 11:45 - Shivam Goel: this one signifies that no matter if someone is from whatever background they are they can have a platform where all of us work together and equal

14/09/18, 11:45 - Shivam Goel: whatever background, they can\*

14/09/18, 11:49 - Shivam Goel: this one i personally like more, it shows that they are at the common point where job seekers, freelancers, interns meet creators. as right now there are 4 arrows of same color we can have 3 arrows of same color depicting all the seekers, and one of another color depicting the creator

14/09/18, 12:00 - Siddhanth Bhaiya: I like the idea, work on other renders of this idea, in terms of design

also show the color wala version for the same

14/09/18, 12:01 - Shivam Goel: Sure give me sometime
